

## EUROPEAN LIGHTHOUSE TO MANIFEST TRUSTWORTHY AND GREEN AI (ENFIELD)

### OPEN CALL FOR PROPOSALS - INNOVATION oc1-2024-TIS-01

ENFIELD project has **1.1M€** to provide support at least **18 small scale projects** to answer specific challenges through two rounds of innovation open calls.

ENFIELD invites proposals from European R&D intensive entities (research institutes, start-ups, SMEs and large companies) for innovation grants to conduct applied research activities in specific technological challenges in artificial intelligence proposed by the consortium industry players. These challenges, focus in the areas of healthcare, energy, manufacturing, and space, will involve networking and dissemination activities and contribute to the overall ENFIELD outreach.

ENFIELD brings together the best talents, technologies, and resources from worldclass research and industry players in Europe to jointly develop top-level research activities in synchronisation with industry challenges. ENFIELD encourages and fosters interdisciplinary approaches by integrating researchers from different fields and organisations such as universities, research centres, or companies.

Proposals must address ENFIELD research challenges in the areas of healthcare, energy, manufacturing, and space as presented in the [Catalogue of Challenges](#).

Proposals are evaluated against criteria of i) advancement beyond state of the art; ii) scientific/technical approach; iii) dissemination and communication; and iv) technical, creative and business capacities of the applicant.

The deadline of INNOVATION oc1-2024-1-TIS-01 is **31 July 2024 at 17:00 (CET)**. About 8 proposals are to be approved.

The [Proposal Template \(Technical Annex\)](#), [Simplified Estimation Costs](#) and [Applicant's Guidelines](#) for submitting proposals for the first Innovation Open Call are available in the ENFIELD website [here](#). The Technical Annex of the proposal is maximum 5 pages long and applicants have the advantage of a single-stage submission process.

Proposals to the ENFIELD – Innovation Scheme Open Call must be submitted electronically via <https://ec.europa.eu/eusurvey/runner/oc1-2024-TIS-01>.
